PT Central Omega Resources Tbk

DKFT Maintains Positive Trend in Q2-2026, Records EBITDA of IDR 545 Billion and Earnings Per Share Up 28%

Jakarta, July 28, 2026 – PT Central Omega Resources Tbk ("DKFT") continued its solid financial performance growth trend in the Second Quarter of 2026 (Q2-2026). The Company successfully recorded sales of IDR 1 trillion (up 6% YoY) and Net Profit surged 30% YoY to IDR 403 billion, driven by operational efficiency and optimization of average selling prices amidst a 34% correction in sales volume.

> ***"The positive Q2-2026 performance reflects the success of the Company's cost efficiency strategy and operational discipline. Despite the correction in sales volume, margin optimization and marketing flexibility enabled us to maintain an EBITDA of IDR 545 billion (up 13%) and increase Earnings Per Share (EPS) by 28% to IDR 72. Moving forward, we remain focused on maintaining efficiency and maximizing added value to deliver optimal results for Shareholders."***
